

PACK MULE TOWABLE CARTS

QUAD-STEER DOUBLE PALLET CART

Shown with optional:
• Soft-Solid Tires

WHY CHOOSE PACK MULE?

PACK MULE Pallet Carts are built using heavier gauge steel, thicker, stronger supports and a heavy-duty frame. Designed to hold up shift after shift, day after day— either as a single trailer or as multiple trailers chained together.

STANDARD FEATURES

- Dedicated spindle drives for increased stability
- Long-lasting, smooth rolling automotive-grade tapered roller bearings
- 8" poly-over-metal wheels
- Precision tracking
- Damage-resistant, hidden center steering link
- Universal spring-compensating tow bar
- Towable with any tugger
- Improve productivity with a single tugger and chained pallet carts
- 1" Spring-Loaded Clevis-Pin Hitch

Try a **PACK MULE** vehicle and/or trailer in your facility. No commitment required.
