WHY CHOOSE PACK MULE?

PACK MULE's NXG Burden Carriers can handle the heaviest loads in any warehouse or facility; offering the longest runtime, best standard features and is virtually maintenance free. Backed by the longest and most comprehensive warranty in the industry, PACK MULE's high reliability and low total cost of ownership make it the best value on the market today. Skeptical? Ask us to prove it!

We've been helping manufacturers and distributors move materials horizontally for more than 60 years, and we've learned what customers need to get the job done. That's the reason we build PACK MULE to a higher standard—and that's why we encourage you to test them in your facility, doing your work.

Try a **PACK MULE** vehicle and/or trailer in your facility. No commitment required.
